## Company Profile

505 Designs is an award-winning advertising agency comprised of diverse-thinking, high-caliber talent. As a team, our portfolio includes a unique blend of business-to-business and business-to-consumer clients such as **Home Depot, Lowes, Target, Macy's, Johnny Rockets, Pieology** and the **LA Times** - *just to name drop.*

We help businesses achieve their maximum potential through comprehensive, multi-touchpoint strategies that are beautifully crafted and rooted in efficiency, sales strategy, and on-point storytelling. Each player is adept at consulting, strategizing and producing measurable results.

**"We don't gamble with your business.  
We design your chance."**

*our mantra*

**We like win-win situations.  
You succeed - so do we!**
